PRESIDENT'S MESSAGE

Greetings,

To start out this New Year, our January 9th Meeting will be at Robert Rothenbucher's shop. I know that his program will be interesting.

I have hopes to be present, but I have found out that knee replacement surgery, like some of my woodworking projects, doesn't always turn out quite like planned. Making progress but not getting out yet. I sure miss my shop, but hopefully

will be back at it soon.

Happy New Year to you all.

Bill Nay, President

Minutes from Last Month's Club Meeting by Bill Morgan

The GCWW club met December 12 at the Silver Skillet for our annual Christmas Party. We had a nice turnout with sixteen in attendance including spouses and friends. A nice variety of toy cars (see photos on subsequent pages) served as "table decorations" in support of the Toys For Tots theme.

T-Track

Mike Ruttgen still has T-Track for sale for \$9.00 each. He has 3 pieces, 4' long. He will bring them to upcoming meetings.

GREEN COUNTRY WOOD- WORKERS

The Green Country Woodworkers are made up of men and women who are interested in woodworking as a hobby.

.....

The monthly meetings are conducted as educational forums for the benefit of our members and guests. We have idea exchanges, problem solving sessions, safety tips and tool tips plus a main speaker on topics related to woodworking in all its phases.

.....

The club sponsors community service projects such as making Toys for Tots at Christmas and supporting Beads of Courage by turning bowls and making boxes for children undergoing cancer treatment at Children Hospital at Saint Francis. The containers hold the children's beads. The beads represent their treatment progress.
