## PRESIDENT'S MESSAGE

Greetings,

I am so looking forward to our "outing" to Dakota Hardwoods. It will be Covid guideline compliant with masks and social distancing.

I believe the venue is appropriate for safely accomplishing this opportunity for getting together. A big "THANK YOU" to Mike Ruttgen for his efforts to set this up for the Club. David Hogan of Dakota Hardwoods is hosting us.

Please let me know, if you haven't already done so, that you plan on attending. Either email, call or text to [william.nay@cox.net](mailto:william.nay@cox.net) or (918)492-8481.

Lastly, a member has asked about us publishing a membership list with contact information. Any thoughts for or against?

Bill Nay, President

Good selection of hardwoods at very good prices. Call for more info.

The website doesn't mention the lumber but it does give location and contact information.

(Also by appointment)

I built a "Norm Abram designed" router cabinet 8 years ago and have always had to prop a support under the dust port exit assembly; the PVC hub and dust collection hose were too much weight for the friction fit couplings. So I came up with the below design.

The board is long enough to support where the hose connects to the PVC hub fitting. And when not in use, it is short enough to fold/hinge flat against the cabinet.

A simple cord and hook hold the wooden support at the correct height during use.

Continue on Garnett Rd until you reach 27th St N.

Turn East onto 27th St N and go a block or so until you see Dakota Hardwoods on the right (South) side of the road.

## GREEN COUNTRY WOOD- WORKERS

The Green Country Woodworkers are made up of men and women who are interested in woodworking as a hobby.

.....

The monthly meetings are conducted as educational forums for the benefit of our members and guests. We have idea exchanges, problem solving sessions, safety tips and tool tips plus a main speaker on topics related to woodworking in all its phases.

.....

The club sponsors community service projects such as making Toys for Tots at Christmas and supporting Beads of Courage by turning bowls and making boxes for children undergoing cancer treatment at Children Hospital at Saint Francis. The containers hold the children's beads. The beads represent their treatment progress.

## OBJECTIVES

- To provide the Knothole News, a monthly newsletter
- To promote woodworking and participate in woodworking and craft shows to inform the public of club activities
- To make wooden toys which are donated to selected organizations throughout the year
- Monthly Show & Tell; all items entered in the show and tell will be presented to the membership by the builder

Membership applications are available at each meeting from the club secretary or treasurer. At this time, no membership fee is charged.

## MEETINGS

The club meets on the second Thursday of each month at 6:30PM, typically at a designated member's shop. The upcoming location and topic are published in advance in the Knothole News.

We also have a monthly dinner/social on the 4th Thursday of the month at 6:00PM; the location is determined during the regular monthly meeting.
