PRESIDENT'S MESSAGE

Greetings to all. Well we waited and now we see, no meeting this month, again. It is getting old, but then so am I and not yet willing to trust that I can avoid the virus while being in close physical contact. We will continue to wait and hopefully there will be some significant change in things that will make it obviously prudent when to meet again. In the meantime, please stay safe and pay attention. I have smashed a finger and suffered a couple of very minor cuts recently that I am going to attribute to distraction and just plain carelessness.

If you didn't share your work with Mike for the Newsletter this month, try to do better. I really enjoyed seeing what you had accomplished and shared last month.

Bill Nay, President

June 11, 2020 Meeting CANCELLED

Well, I'll blame it on my tomato plants, nice weather, and various projects around the house. I have had little inspiration to author this month's newsletter; I'll try to do better in July. Please email me any newsy information for the next publication.

GREEN COUNTRY WOOD- WORKERS

The Green Country Woodworkers are made up of men and women who are interested in woodworking as a hobby.

.....

The monthly meetings are conducted as educational forums for the benefit of our members and guests. We have idea exchanges, problem solving sessions, safety tips and tool tips plus a main speaker on topics related to woodworking in all its phases.

.....

The club sponsors community service projects such as making Toys for Tots at Christmas and supporting Beads of Courage by turning bowls and making boxes for children undergoing cancer treatment at Children Hospital at Saint Francis. The containers hold the children's beads. The beads represent their treatment progress.
